SOFTWARE

Realm is our most modern and easiest to use software solution for churches. **Realm** has the right balance of modern features that churches need to manage their administrative, accounting, and churchgoer needs. Unique features include tools to help with assimilation and visitor follow-up, child security, communication, engagement, and much more.

How can you learn more about Realm?

- ✓ **Realm website**: www.realmchurch.com
- ✓ **Realm Demo/Video Tour**: www.realmchurch.com/demo *Here you will find a way to sign up for one of our weekly Wednesday webinars, download a pre-recorded copy of a recent webinar, as well as a self-guided video tour of key areas of Realm.*
- ✓ **Realm Ministry Impact Stories**: https://ministry.acst.com/

For a general overview, here are several links that you and your colleagues might find helpful:

- ✓ Realm: website page with LOTS of useful links (Tip: Take a look at the box "Attend Demo" for options on seeing Realm "live" as well as access to a pre-recorded general overview.)
- ✓ Pathways: a great tool to help with assimilation, first-time visitor follow-up, and more
- ✓ Event Registration: an integrated way to make it easy for people to register (and pay)   for events at your church
- ✓ Check-In: a simple (and secure) way to check-in children, adults, at events, etc.
- ✓ Realm *Connect* mobile app: an app designed for churchgoers to communicate and engage, see their giving, give, event registration, etc.
- ✓ **Realm *Shepherd* mobile app**: a "*new*" app designed for **pastors/leaders** including the ability to "see" people in the church and add private notes
